

VESC Skater Classification Criteria

The Following is an outline of the requirements skaters must have to enroll in respective skating sessions as said levels.

Novice: Any skater who has entered the STARSkate program but has not passed any Skate Canada test.

Junior: Any skater who has passed at least one dance test.

Pre-Intermediate: Any Skater who has passed all 3 preliminary dances
AND
is either competing at the Pre-preliminary Level OR is grade 9 or higher.

Intermediate: Any skater who has aquired 3 skating credits as defined by the skating credits schedule

Senior: Any skater who has aquired 6 skating credits as defined by the skating credits schedule

The following requirements will be in effect for the skating year beginning September 2010. Any skater currently skating during a session where they do not meet the new requirements will be allowed to remain in that session, provided that they meet the new requirements for that session by the end of the skating year (August 31st 2011).

In the interest of safety, any skater coming from a different club who qualifies to skate as Pre-intermediate / Intermediate or Senior ice shall be required to go through an evaluation period on Junior ice to properly evaluate his/her level of competence on the ice.
